CITY OF XENIA 2009 LEAF COLLECTION

Xenia, Ohio, October 27, 2009: The City of Xenia has made changes to its leaf collection services. This year, leaf crews will only make one round of collection and will travel each city street only once this season. Cars parked too closely, other debris in the piles or leaves not raked to the curb ahead of the crews will not be collected. Residents will have to make other arrangements to dispose of these leaves. Citizens are encouraged to use alternate methods to dispose of their leaves. Leaves can be mulched or bagged. Rumpke will take up to 14 bags per residence each week on regular trash collection days. Bagged leaves can also be taken to the Greene County Recycling Center on Greene Way Boulevard (562-5925).

City Crews will be picking up leaves raked to the curb during the weeks listed below in the following neighborhoods:

<u>The Week Of:</u>	<u>Neighborhoods/Streets</u>
Nov 16-20	Zone 1 – Northeast Section from Church St. and continuing north to include N. King, N. West, N. Galloway and the Beverly Hills, Summer Brooke and Kinsey Meadows neighborhoods
Nov 23-27	Zone 3 – Neighborhoods west of US 35 Bypass including New Arrowhead, Windsor Park, Reserve of Xenia, Sterling Green and Wright Cycle Estates
Nov 30- Dec 4	Zone 2 – Southeast Section from Church St. and continuing south to include the East End, South End, South Hill and Old Arrowhead east of US 35 Bypass
Dec 7-11	Zone 4 – All Laynewood neighborhoods and the neighborhoods that include Charles, Maple and Center Streets

IMPORTANT REMINDERS:

- Leaves need to be raked to the curb before the Monday on your pick up week. Crews could be at your curb anytime during that week. Return trips to an area will not be possible.
- It is very important that cars are not parked in the leaf pick up area. Crews cannot reach a leaf pile if a car is parked within 10 feet.
- Piles must contain leaves only! Leafing equipment cannot pickup sticks, limbs or trash.

Please check out Channel 5 or our Website at www.ci.xenia.oh.us for more information on leaf collection services as well as a street listing for each zone.
