City Takes First Steps to Adopt Community Driven Land Development Code

Xenia, Ohio (May 3, 2016) – The City of Xenia’s Planning and Zoning Commission will hold a public hearing to start the formal adoption process for the new Land Development Code created as part of the ShapeXenia initiative, at 7 p.m. Thursday, May 5, 2016, at Xenia City Hall Council Chambers, 101 N. Detroit Street.

The hearing will allow citizens to comment on the new codes and associated property re-zonings and will be the first opportunity for the Commission to vote on whether to endorse the new code and re-zonings before finally moving to City Council for another public hearing on May 26th, with formal vote and adoption of the codes by City Council on June 9, 2016.

The new code sets forth a new set of streamlined regulations that will improve the ease of doing business with the City while also improving the quality of life throughout the City.

Citizens may go to www.shapexenia.com for a copy and description of the new code, an overview of the process, and a list and maps of rezoned properties.

Citizens may also log onto www.eXploreXenia.com for more information and updates regarding the City of Xenia.
