Xenia City Council To Host “Council Chat”

Xenia, Ohio (May 17, 2018) Members of Xenia City Council will host an open house event, entitled “Council Chat,” at the Coffee Hub, 81 East Main Street, Xenia, Tuesday, May 22, 2018, from 6 pm until 8 pm.

The event is intended to be a “meet and greet” opportunity to offer additional ways for Council members and key City of Xenia staff to interact and chat with citizens outside of formal meetings and without set discussion topics. According to Xenia City Manager Brent Merriman, “Council Chat is a means for the Xenia City Council and key staff members to stay tuned to the needs and expectations of citizens in a more relaxed environment. There is no set agenda, and folks may come and go and simply meet City of Xenia leaders up close and in person.”

The Coffee Hub is one of Xenia’s newest coffee locations in the heart of Downtown Xenia, a district of Xenia which is experiencing robust revitalization.

The public is invited to call 937-376-7232 or visit eXploreXenia.com for more information on Council Chat or the City of Xenia. The event will be open to the general public.
