CITY OF XENIA 2018 LEAF COLLECTION SCHEDULE

Xenia, Ohio (November 8, 2018) - The City of Xenia has made changes to the Annual Leaf Collection Schedule. The City will be expanding leaf collection from one week of collection per zone to two weeks of collection for each Zone. This will provide an extra collection opportunity for residents to dispose of their leaves.

The City is divided into two zones. **Zone 1** includes all areas north of Main Street and **Zone 2** includes all areas south of Main Street. Main Street addresses will be picked up with Zone 1.

The collection dates are as follows:

1st Round

Zone 1 - November 19th through November 23rd

Zone 2 - November 26th through November 30th

2nd Round

Zone 1 - December 3rd through December 7th

Zone 2 - December 10th through December 14th

City Staff would like to remind citizens of these important points:

- Leaves need to be raked to the curb BEFORE the Monday on your pick up week. Crews could be at your curb anytime during that week.
- It is very important that cars are not parked in the leaf pick up area. Crews cannot reach a leaf pile if a car is parked within 10 feet.
- Piles have to contain leaves only! Leafing equipment cannot pickup sticks, limbs or trash.

Residents may also notice leaf crews picking up leaves the week of November 12th. This is the week that the leafing machines are tested and tuned up. Crews may pick up leaves that are already at the curb to test the machines. Leaf crews will go back to the test areas during the scheduled weeks.

Residents also have the option of mulching leaves or bagging them and taking them to the Greene County Recycling Center on Greene Way Blvd.
